CIRCULAR

In order to scale up integrated counseling and testing facilities across the state, facility integrated ICTCs are going to be established in PHCs in phased manner. The staff nurses of the facilities will perform the counseling job and the laboratory technicians of the Designated Microscopy Centres (DMC) will perform the HIV screening using whole blood finger prick HIV test kit. The client screened positive will be linked to the nearest standalone ICTC for confirmation of positive status. The negative report can be provided to the clients by the Laboratory technician. The registers, reporting formats, consent forms, kits etc will be provided by West Bengal State AIDS Prevention and Control Society from time to time. The necessary training will be imparted soon in the designated institutes. In the first phase, 82 PHCs in A & B category districts as annexed, will act as Facility Integrated ICTCs. This circular is issued in concurrence with Director of Health Services and e. o. Secretary.
